Subject: contact info for lease operators

Steve:

I'm trying to follow-up with a couple lease operators to check on SPCC plans for leases that we've had complaints and/or spill reports on. The operators are:

- [REDACTED] Tailwater, Inc.
- [REDACTED] Martin Oil Properties
- [REDACTED] Swallow Tail LLC.

Any info you have on a contact person and phone number would be appreciated.

I can be reached on my cell at 913-551-7924.
